EDUCATION

Shree L.R. Tiwari College of Engineering, Mumbai University

Bachelor of Engineering in Information Technology

Mumbai, India

Aug. 2022 – May 2026

EXPERIENCE

Web Development Intern

Coincent.ai

July 2023 – Aug. 2023

Mumbai

- Worked with HTML5, CSS, Bootstrap, and JavaScript to develop a traveling website
- Collaborated on front-end design and implementation of responsive web pages
- Built and tested interactive elements to enhance user experience

Research and Development Engineer, Robotics Trainer

Robokart.com

june 2024 - july 2024

Borivali

- Conducted research in the field of robotics to develop and enhance automation systems
- Trained individuals in robotics concepts, circuit design, and hands-on applications
- Assisted in the development and testing of robotic systems and components

PROJECTS

Food Villa | *React, Redux, Swiggy API, Babel, Lazy Loading, Testing*

Nov-2024

- Developed a food delivery platform with features such as dynamic menu display and item ordering
- Used Redux for state management and lazy loading to improve performance
- Integrated the Swiggy API to fetch and display menu cards
- Implemented testing to ensure application stability and performance
- Configured Babel for ES6+ compatibility and smooth project deployment

Todos | *Node.js, Express, MongoDB*

Sept-2024

- Built a Todo application using an Express server to handle adding, deleting, and fetching tasks
- Integrated MongoDB to store and retrieve todos in a persistent database
- Created RESTful API routes to interact with the database and manage todo tasks
- Ensured smooth communication between front-end and back-end for a seamless user experience

ACHIEVEMENTS

Participant, MegaHack 4.0

St. John College of Engineering and Management

March 22 – March 23, 2024

Palghar, India

- Participated in the 24-hour national level hackathon, MegaHack 4.0
- Collaborated with a team to build innovative solutions under time constraints
- Developed and presented a project as part of the hackathon challenge

TECHNICAL SKILLS

Languages: Java, C/C++, SQL, JavaScript, HTML/CSS,

Frameworks: React, Node.js, WordPress, Material-UI, TailwindCss

Developer Tools: Git, Platform, VS Code, Visual Studio, AWS
